1. Choose the best word to fill each of the numbered blanks in the text below. Write only ONE word for each blank.

Mobile Phones

Some time ago, if we wanted to call someone, we (1) _____ to do it at our homes. There were public phones the street, but it was often difficult to find (2) _____ that was working. Sometimes, there were long queues before it (3) _____ your turn to use them. In addition, you had to bring a lot of coins to (4) _____ for the calls. As a result, people were not used to phoning their friends as often (5) _____ they do today.

Today's mobile phones allow us to talk with friends and family (6) _____ we are on the move. They (7) _____ dramatically changed the life we lead. Before the age of (8) _____ mobile phone, parents would sit around worried when their children would be coming home. There (9) _____ no quick calls to say that there would (10) _____ more guests for dinner. We left notes on fridges or desks to communicate. (11) _____, mobile phones have also had a negative (12) _____ on our lives. We often do not realize that we have lost something very valuable: our privacy. Today, our friends and family can get in (13) _____ with us wherever and whenever they want to. We can never get (14) _____ from them. The way people communicate with (15) _____ other is completely different now. It's not so easy to sit in a café and have a casual conversation without (16) _____ interrupted by a phone call every few minutes. Most people don't see anything wrong (17) _____ having a long conversation on their mobile phone while forgetting about the person they are sitting (18) _____ to. A solution would be to leave our mobile phones at home or turn them (19) _____ completely, but nobody does that. Most people are (20) _____ of missing something important if they do not always have their phones with them.
