

**Introduction
of the University
of Hradec Králové**

HR EXCELLENCE IN RESEARCH

Location

Hradec Králové

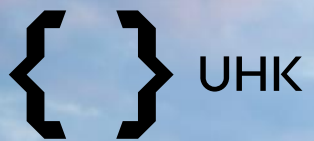

- Central Europe, Eastern Bohemia
- Capital of the region, approx. 93 000 inhabitants
- One of the safest cities in the Czech Republic

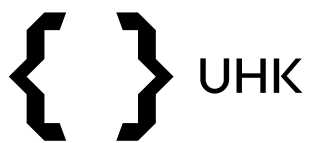

Location

Hradec Králové

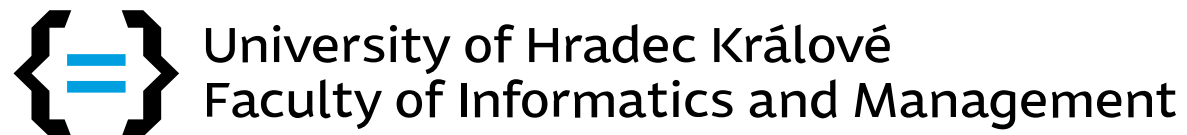

- Rich history
- Green city
- Amazing architecture
- Cultural events
- Easy transportation
- Affordable cost of living

University of Hradec Králové

University of Hradec Králové

University of Hradec Králové

a public university since 1959

more than 6 000 students in full
or part-time form of studies of all ages

preparing competitive graduates for the global labor market

keeping to high standards of the European education

around 90 study programmes in
bachelor, masters and doctoral studies

Study & Students

Degree programmes

3yrs Bachelor

2yrs Master

4yrs Doctoral

- around 30 English-taught study programmes
- summer schools with various focuses on IT, Czech culture and language or science, including extra leisure activities
- modern campus, libraries, laboratories
- vibrant student life (3 universities in town)

UHK proves its high standard by passing strict criteria of prestigious international rankings such as QS or THE, it has also successfully qualified in a ranking devoted to sustainability and ecology – the UI Green Metric.

UHK qualifying in 2022 rankings

THE WUR	1201–1500
THE BY SUBJECT: Education	501+
THE Young Universities	401–500
THE Emerging Economies	401–500
QS WUR	1001–1200
QS EECA	185
UI GREEN METRIC	582

Programmes taught in English:

Undergraduate

- Graphic Arts and Intermedia
- Playing a Musical Instrument Focused on Education
- Solo Singing Focused on Education
- Textile Production/Design
- Transcultural Communication

Graduate

- Early Childhood Education with a Focus on Children with Special Needs
- Teaching at Basic Art Schools - Playing a Musical Instrument and Solo Singing

Programmes taught in English:

Undergraduate

- Information Management

Graduate

- Economics and Management
- Information Management

Postgraduate

- Applied Informatics
- Information and Knowledge Management

Programmes taught in English:

Undergraduate

- Political Science

Graduate

- Central European Studies
- Philosophy

Postgraduate

- Philosophy

Programmes taught in English:

Undergraduate

- Biology and Ecology
- Chemistry – Spec. Bioorganic Chemistry; Spec. Toxicology and Analysis of Pollutants

Graduate

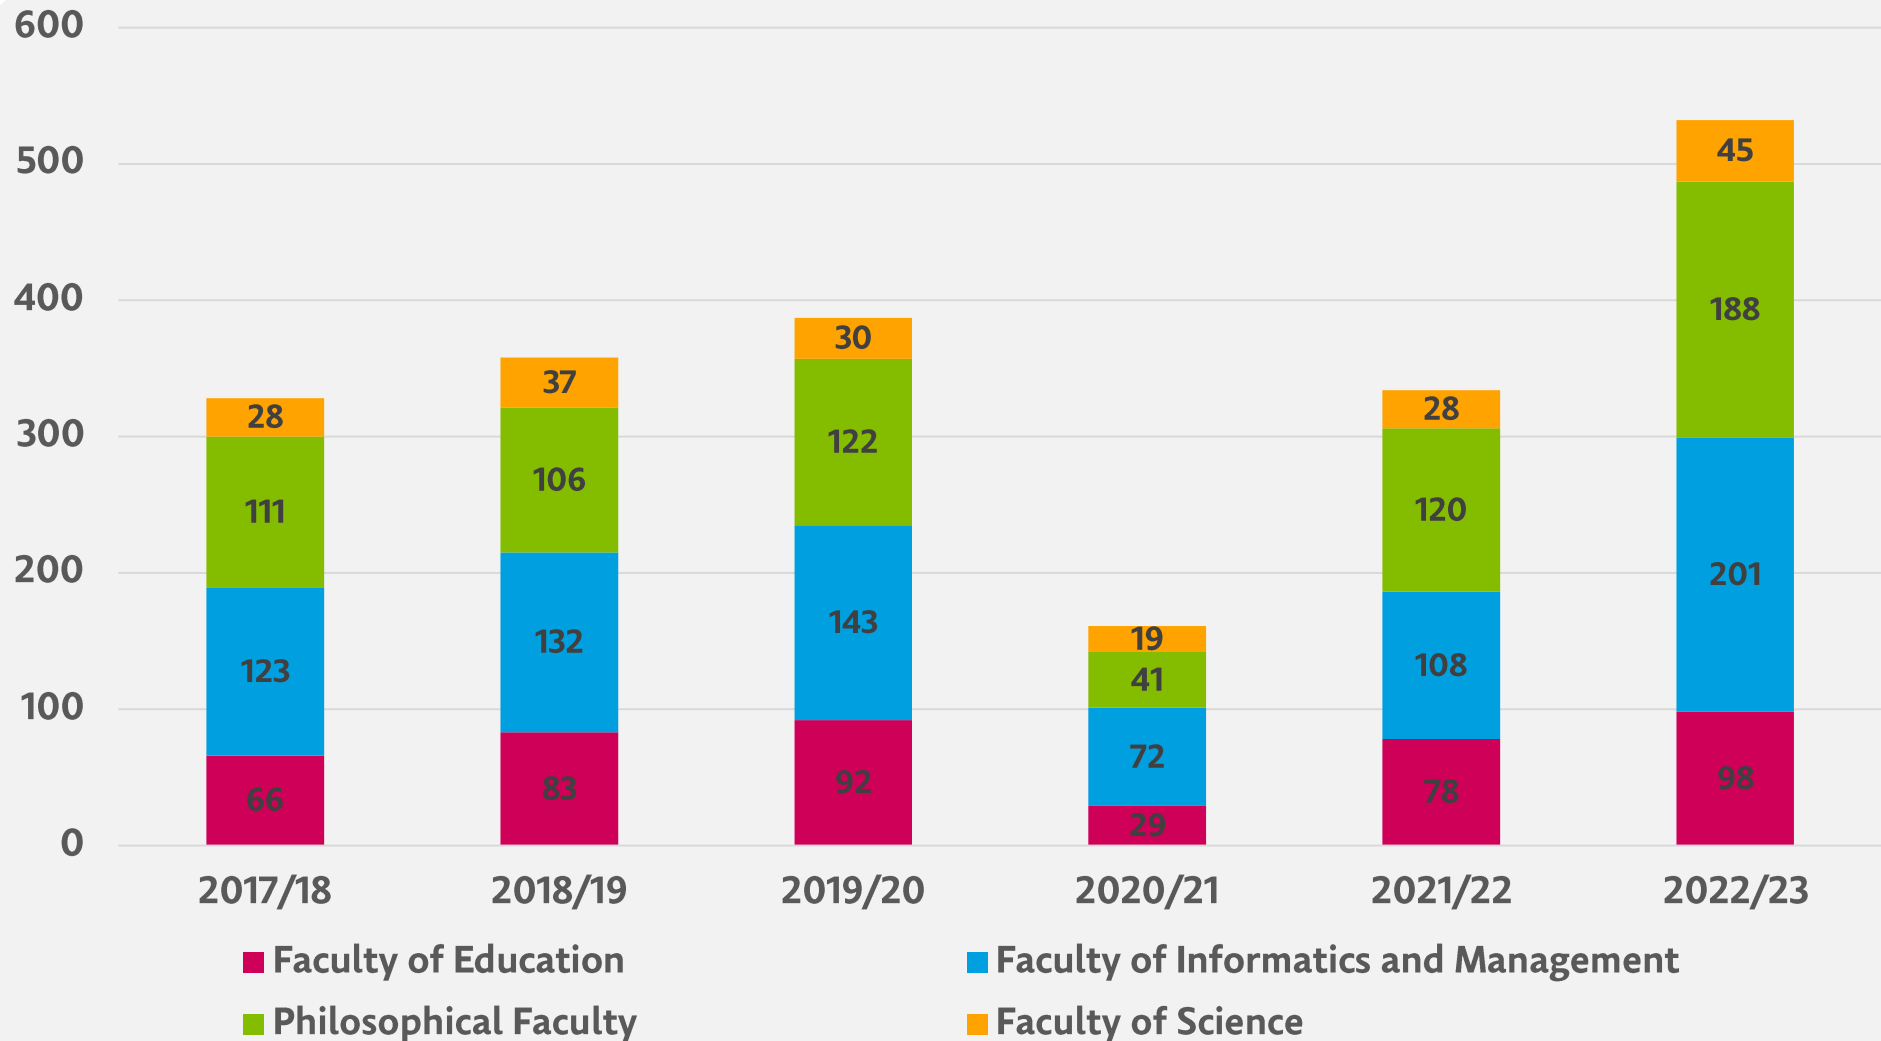

- Biology and Ecology – Spec. Experimental Biology; Spec. Plant Biology; Spec. Animal Biology
- Chemistry – Spec. Toxicology and Analysis of Pollutants; Spec. Bioorganic Chemistry; Spec. Analysis of Biomolecules

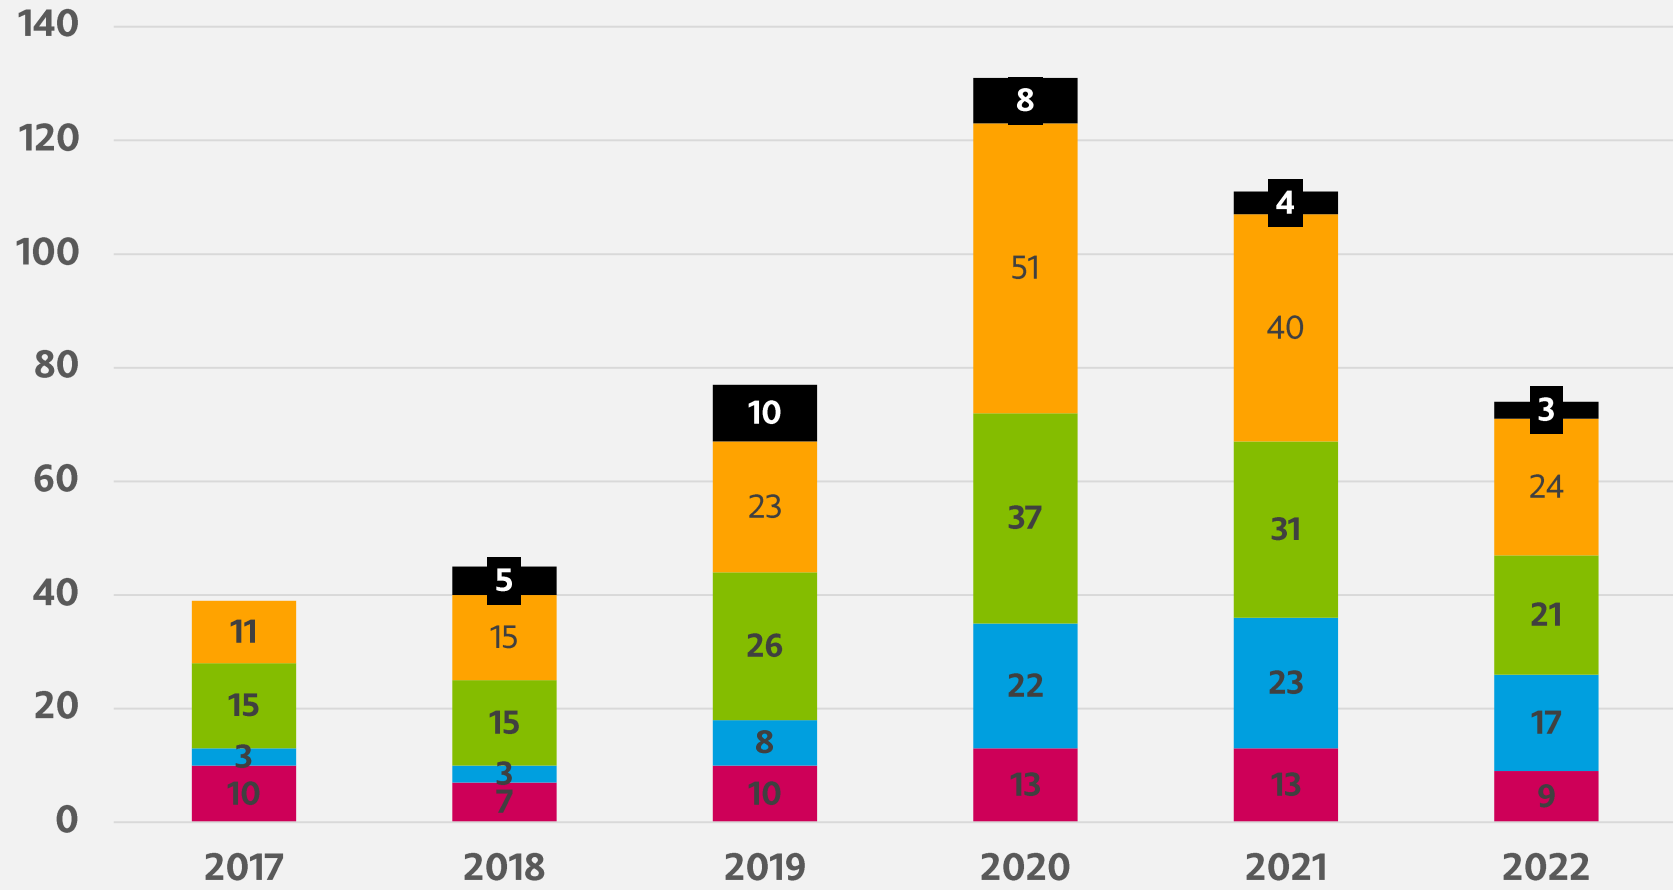

Postgraduate

- Biology and Ecology
- Toxicology

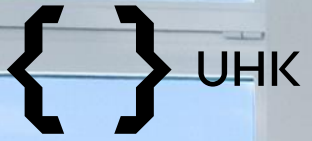

- Internationalization as a cross-sectional activity
- High importance for science and research as well as for teaching and education
- Key element of many particular activities at the university

- Faculty of Education
- Faculty of Informatics and Management
- Philosophical Faculty
- Faculty of Science
- Rectorate

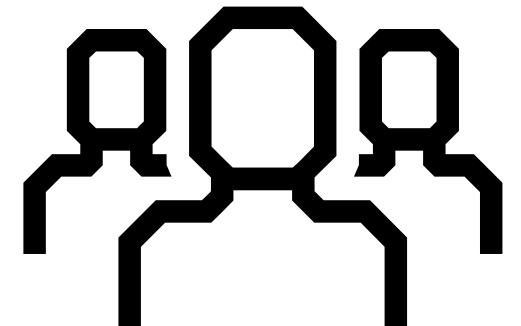

HR EXCELLENCE IN RESEARCH

A photograph of a modern laboratory with large windows. Several researchers in white lab coats and safety glasses are working at lab benches. One researcher in the foreground is using a pipette. The background shows a view of a city with a church spire.

Research and Development

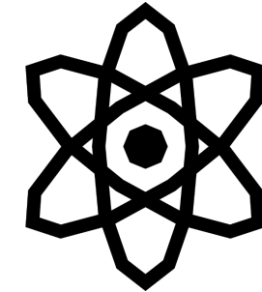

Human Resources Strategy for Researchers

- Guarantee of the European standard of care for employees
- Quality of work environment
- Transparency and openness of recruitment procedures

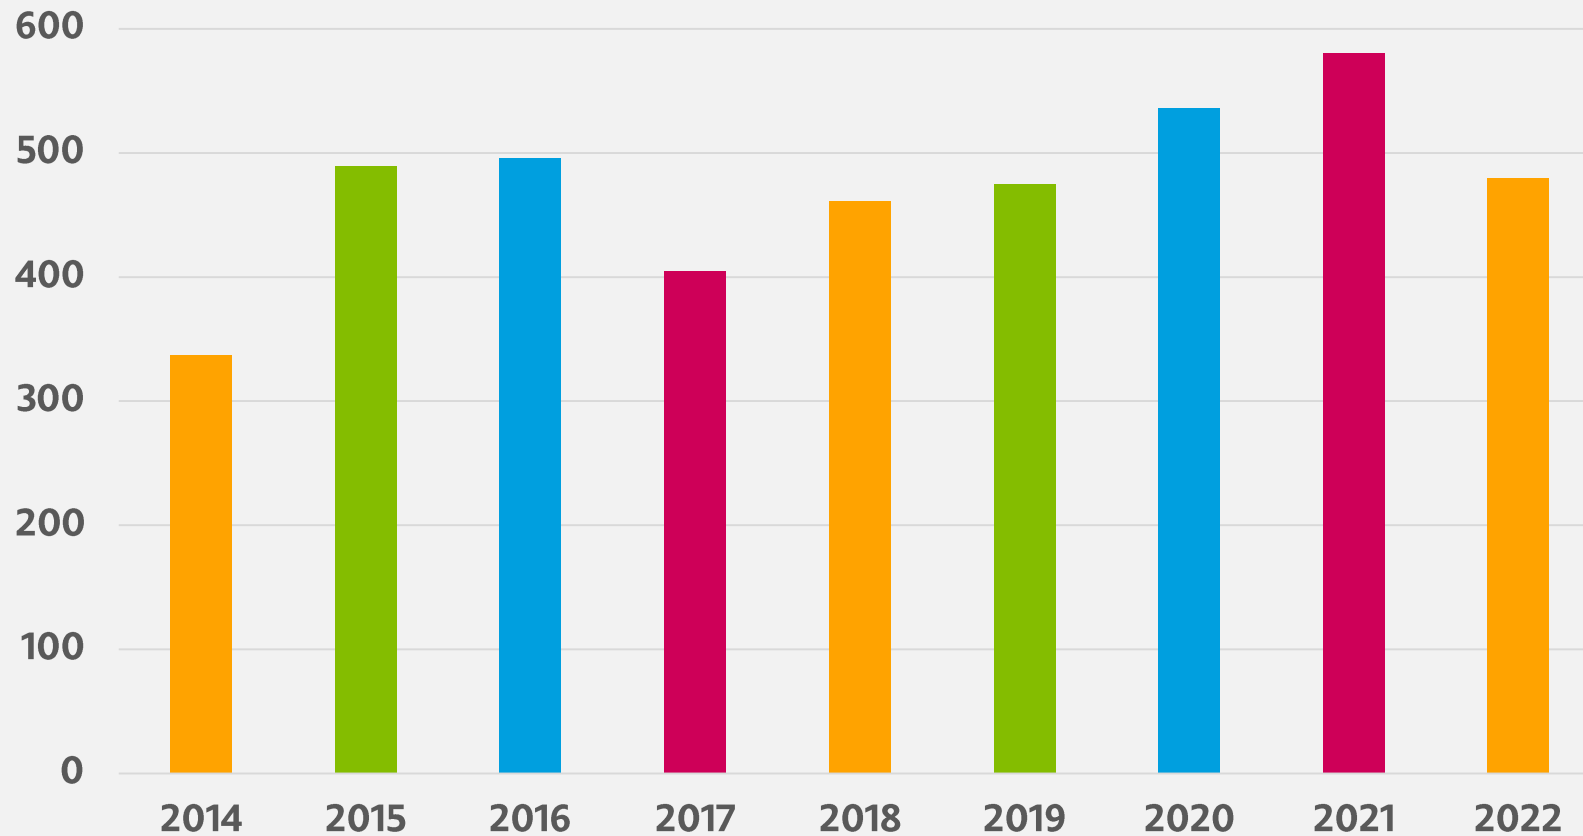

University-wide research topics

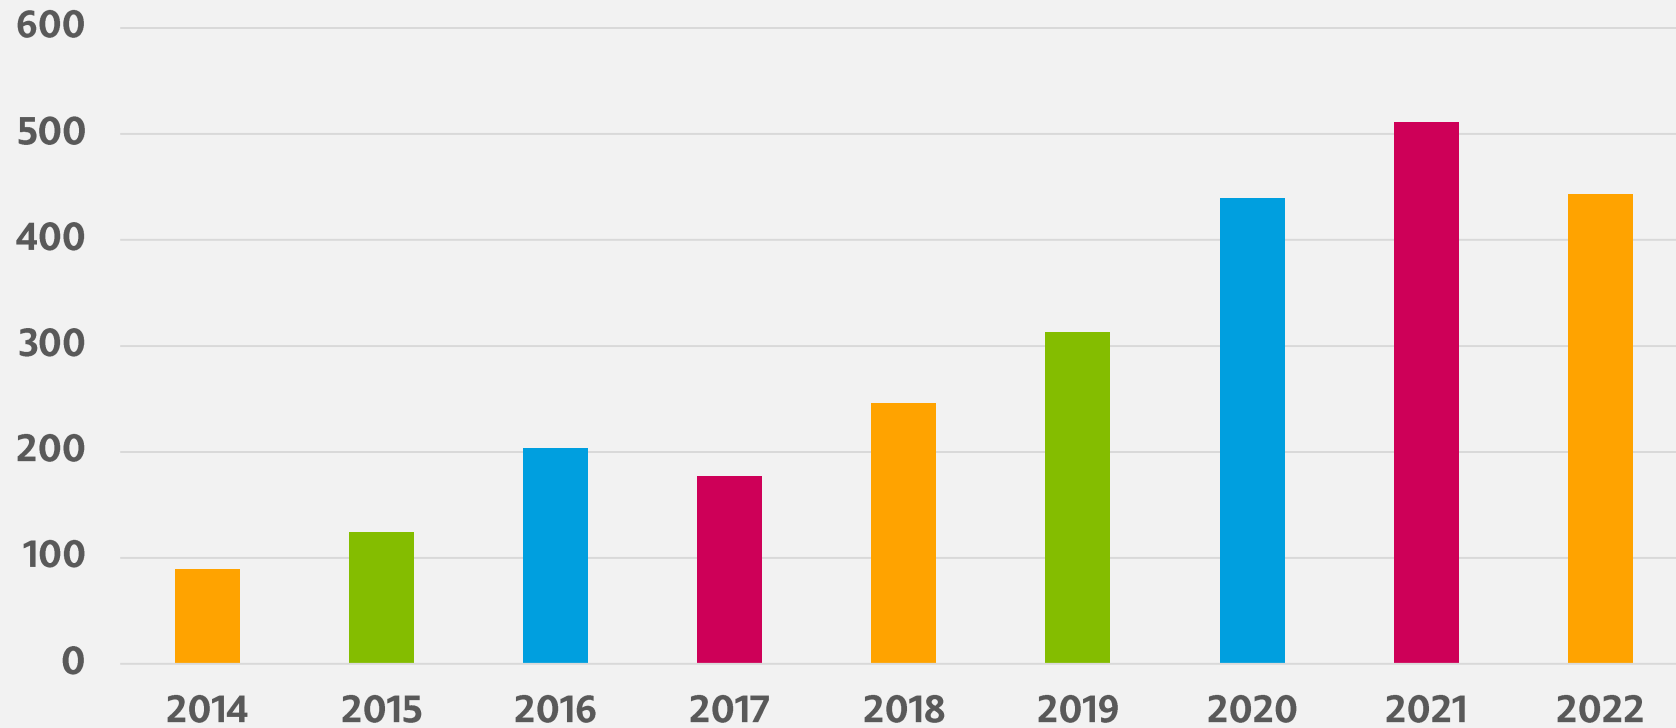

- Healthy Ageing and Quality of Life
- Security and Sustainable Development in the Digital Society
- New Challenges in Education

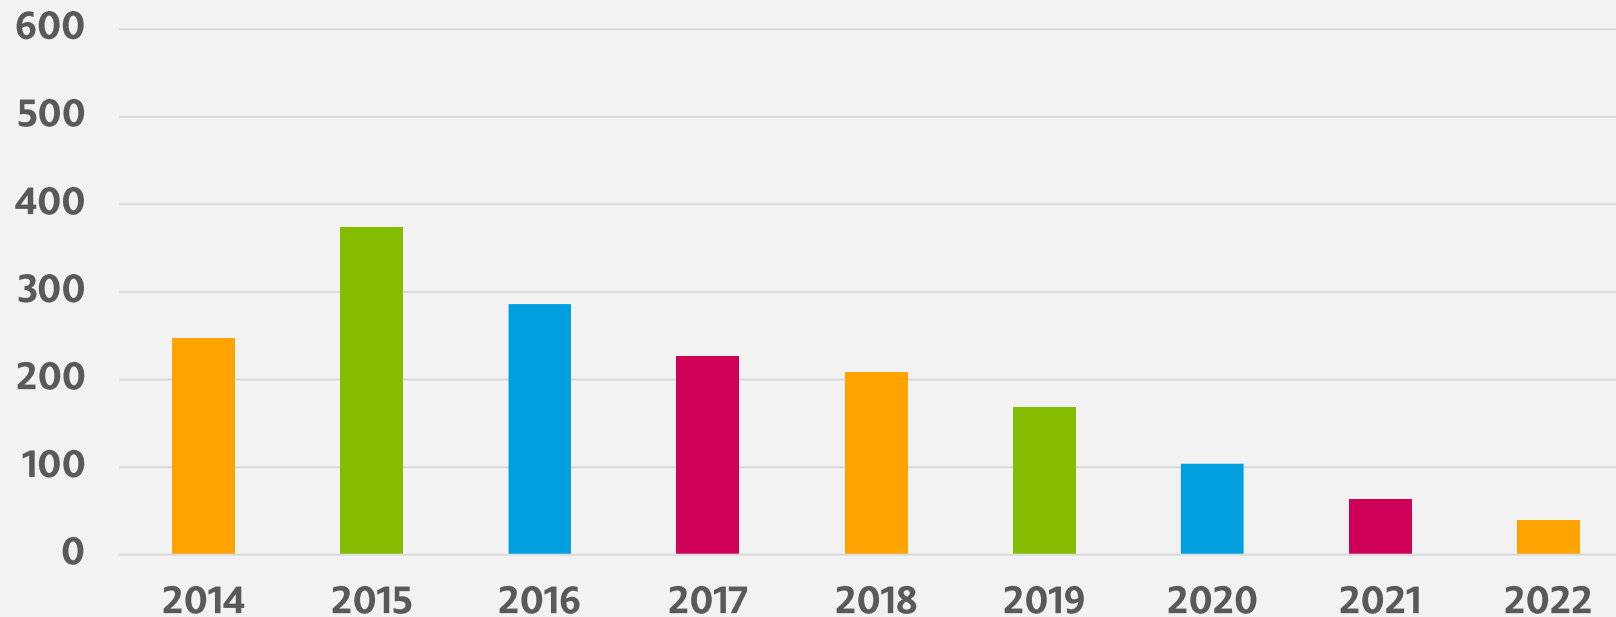

All UHK publications on the Web of Science

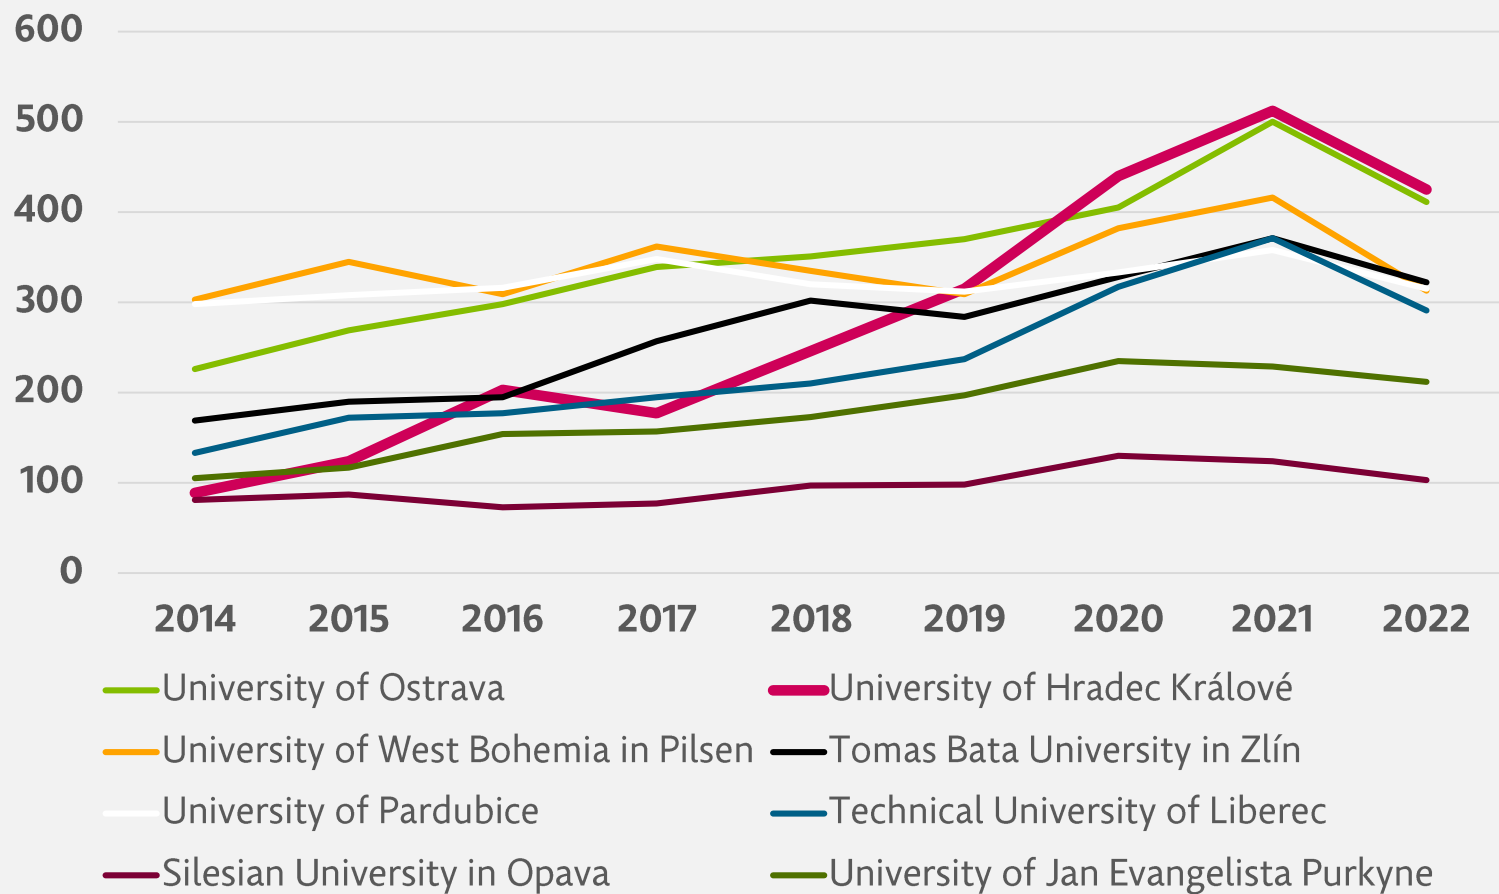

UHK publications on the Web of Science – Journal Citation Report (Article, Review, Letter)

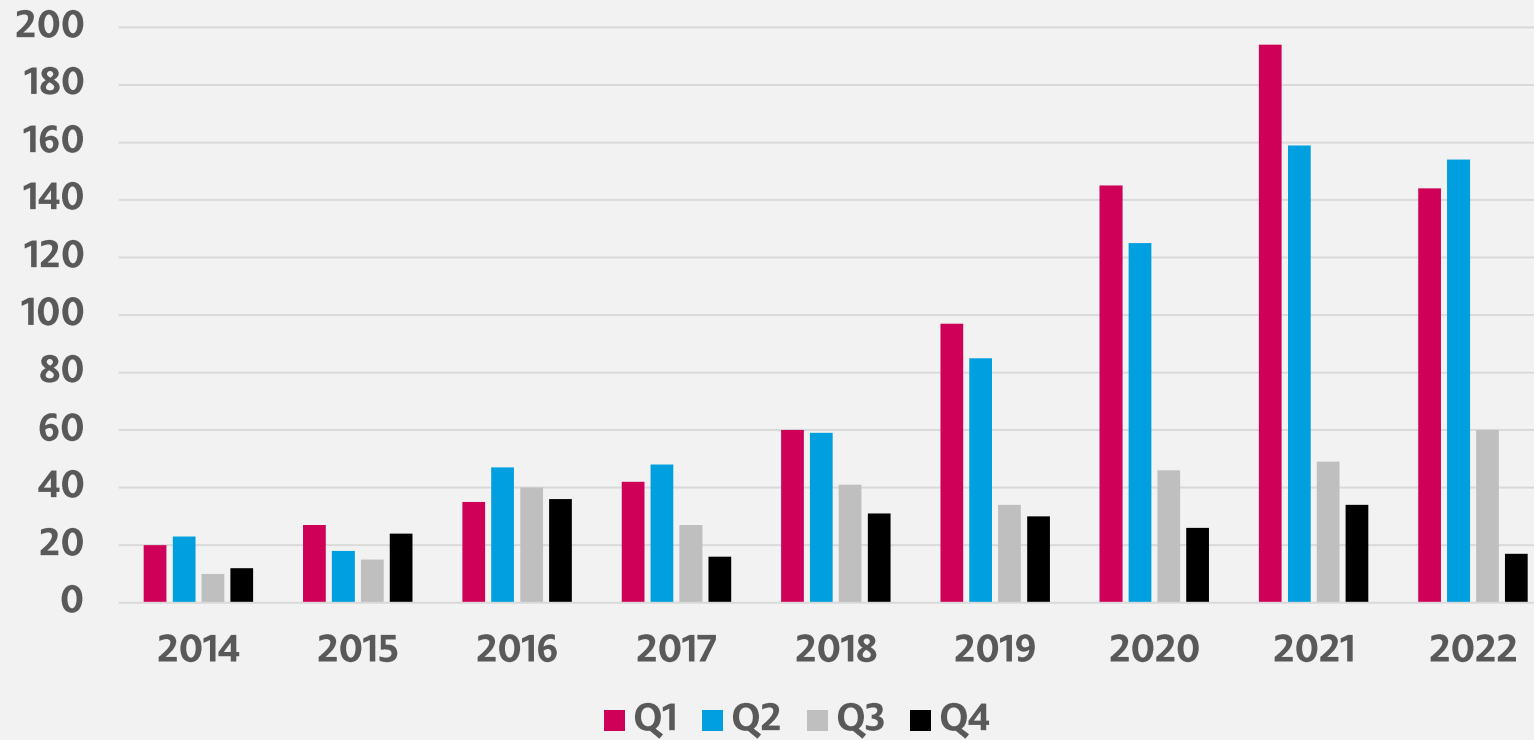

UHK publications on the Web of Science – Conference Proceedings Citation Index & Book Citation Index

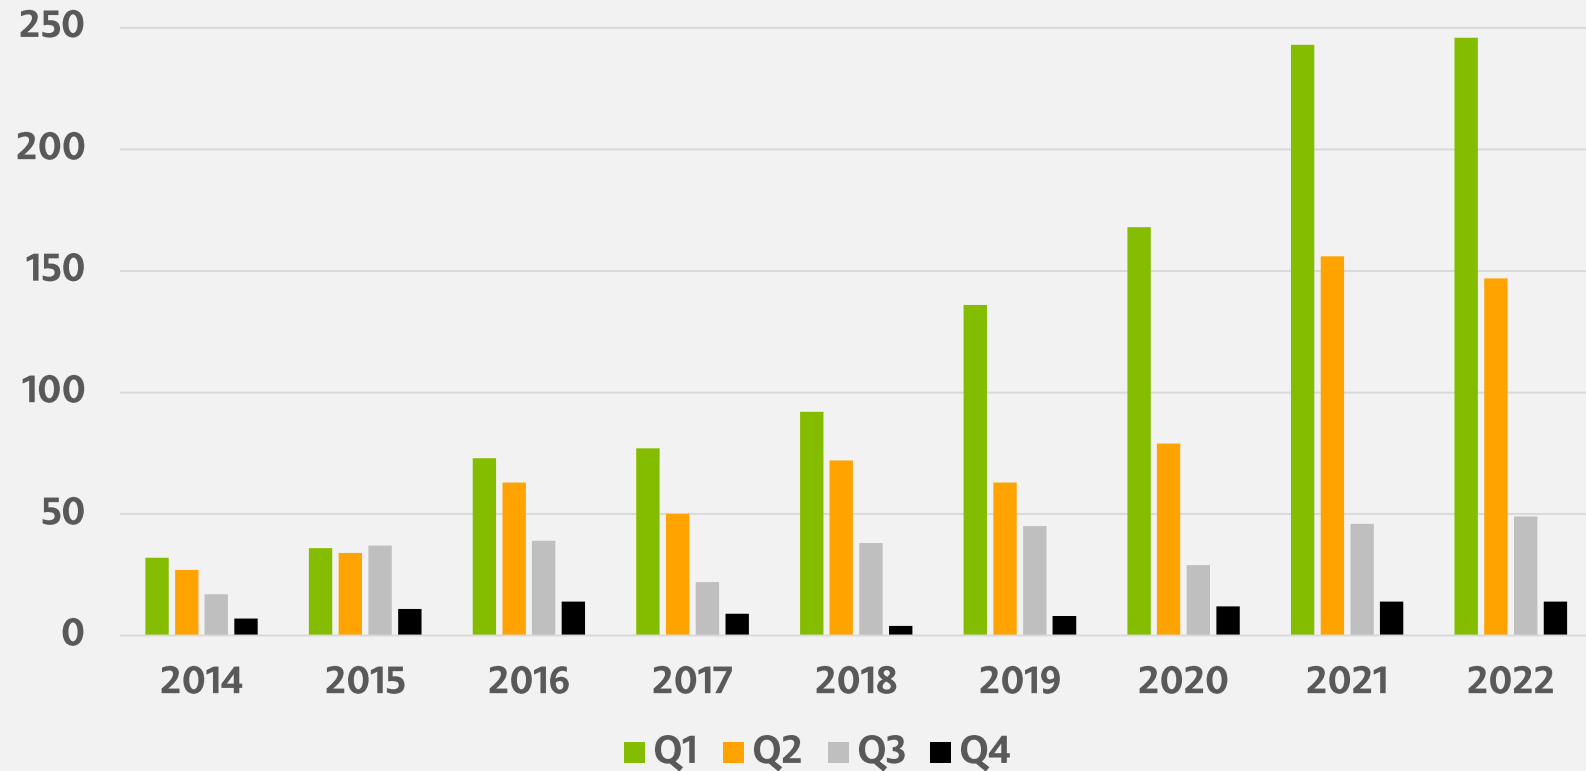

Web of Science – JCR (Article, Review, Letter)

Web of Science – JCR quartiles (Article, Review, Letter)

Patent application

Applied Research

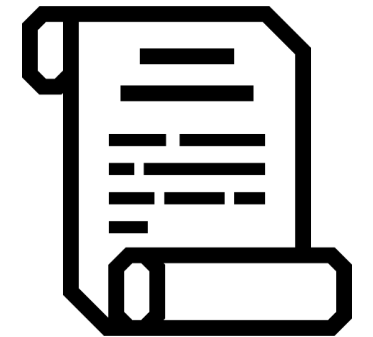

Utility application

The Technology Agency of the Czech Republic (TA CR GAMA 2) Proof of Concept 15 internal sub-projects

Applied Research – Spin Off

- 2018 Grant Detection s.r.o. (Research staff from UHK – without UHK ownership interest)
- 2019 ANUME s.r.o. (Research staff from UHK – without UHK ownership interest)

HR EXCELLENCE IN RESEARCH

A wide-angle photograph of a large, modern university building with red brick and white architectural accents. The building has multiple stories with large windows and balconies. In the foreground, there is a paved path, green grass, and several trees with pink blossoms. The sky is overcast with grey clouds.

Future of University of Hradec Králové

UHK Future Targets

Increasing number of PhD students / PhD programmes

Strengthen university – industry partnership

International strategic partnerships

EU & international projects

Consistent positions in rankings

New postdoc positions

Double degree programmes

International teams / Centers
