

Operation and office hours during Christmas time

From 27th December till 31st December 2021
the reception in Building S of the Faculty of Science will be open
from 8am till 3 pm.

Subsequently, the main entrance into Building S will be closed and all movement of persons "from" and "to" the building will be possible only through the connecting corridor between Building J (FIM Building) and Building A (OSV Building).

After 3 pm it is strictly forbidden to use the rear fire entrance to move "from" and "to" Building S. Between 3 pm and 9 pm staff may stay and work in Building S, but before 9 pm the building must be left (via Building A) as the security device will then be switched on automatically after 9 pm.
