## **ZÁVĚREČNÁ ZPRÁVA PROJEKTU SPECIFICKÉHO VÝZKUMU 2022 / THE FINAL SV PROJECT REPORT 2022**

**NÁZEV PROJEKTU/ PROJECT TITLE:** *The parapolice groups and the use of political violence in the Nicaraguan protests of 2018*

**DOBA TRVÁNÍ PROJEKTU / PROJECT DURATION :** *1 ROK / 1 YEAR*

**ŘEŠITELSKÝ TÝM / TEAM OF INVESTIGATORS:** *Elvin Francisco Rodríguez Fabilena*

### **POPIS A SPLNĚNÍ CÍLŮ ŘEŠENÍ/ DESCRIPTION AND FULFILLMENT OF PROJECTS GOALS:**

*The first goal of the project was to present the paper at panel 6, about Political Violence and Political Parties, from the section S40 Political Violence of the European Consortium for Political Research (ECPR) General Conference, which took place at the University of Innsbruck, in Austria, from 22 to 26 August 2022. This goal was achieved.*

*In addition, the second goal regarding receiving feedback on the paper was also achieved. The third and fourth goals were to improve the paper based on the feedback and the submission to the journal. Both goals were achieved. The manuscript was submitted on November 19, 2023, and sent out for review by the journal editor on January 8, 2024.*

*The final goal is to publish the paper in a high-impact factor peer-reviewed journal indexed either on Web of Science or on Scopus or both, which is still a work in progress.*

### **PODROBNÝ POPIS ZMĚN V ŘEŠENÍ PROJEKTU/ DESCRIPITON OF PROJECT CHANGES:**

*There was a leftover from the allocated budget, so it was possible to order and purchase books that helped to improve the article. There were no further changes besides the budget changes reported previously and the estimated date of submission, which took longer than it was originally planned. The reason for the delay in the submission of the manuscript to the journal as well as in the submission of the present report is the workload from other research projects such as Igráček, teaching activities from the last semester, the writing of other papers to be presented at conferences (ECPR and IPSA in the summer 2023) which will be part of my doctoral thesis, the part-time jobs I have to do to cover my financial expenses to afford living in the Czech Republic, and struggling with recurrent setbacks of my eczema and dermatitis.*

*Despite the challenges, the article was submitted on November 19, 2023, to the first target journal originally planned in the project, which is Terrorism and Political Violence (Print ISSN: 0954-6553 Online ISSN: 1556-1836). This journal is indexed on both, WoS and Scopus. The article was sent out for review by the journal editor on January 8, 2024.*
