- Erasmus+ Blended Intensive programme: short physical group mobility (6 days) in combination with preceding virtual components
- Physical mobility: 24th-29th July 2023
- Application deadline: 5th May 2023
- 3 ECTS
- Students of archaeology (BA, MA) with communication level of English
- Each participant should get a mobility grant from her/his sending institution: individual support is €70 per day
- Accommodation offered in the dormitories of the University of Hradec Králové
- More info to be found at www.uhk.cz/BIP

The Lithic workshop aims to introduce and deepen the knowledge of the Palaeolithic and Mesolithic stone tools. Students will gain theoretical background on the industries in Lower, Middle and Late Palaeolithic and Mesolithic with the focus on Levant and Central Europe. The practical part will consist of flint knapping sessions, acquisition and processing of 3D scans, excursion, and more.
