

MY STUDENT EXCHANGE EXPERIENCE

MARINA MARTÍNEZ ANGULO

SPAIN

SUMMER TERM 2021-2022

The Erasmus experience in Hradec Králové has overcome all my expectations. When you arrive in the city, it may seem a little scary. It is a small city with not too many people, the dormitory is quite old, and the weather is not the best. But from the first day, I felt I was living the best days of my life, I felt like I was in a kind of daydream. I have met people from all over the world and traveled a lot. The city looked awesome with the snow and near the dormitories, there is a fantastic forest where you can go hiking and -for me the best- make bonfires. The public transport is great and it is kind of close to Prague.

Regarding the university, it has very good teachers and I feel I have learned a lot; the only not-so-good thing is that I only had classes with Erasmus students and not local people, something which I would have liked a lot: to get in contact with them. The dormitory has an environment of family, I would highly recommend going there, it's the best opportunity to make real friends; and also, it has three supermarkets nearby. In the beginning, I had my doubts about this destiny, as it was not my first option, but today I am happy they didn't assign me to Prague, I wouldn't change Hradec Králové at all.
