

WILBER WANDEGE

MAKERERE UNIVERSITY UGANDA

Aš a Masters of History student at makerere University, Uganda was grateful And full of happiness when i received an Erasmus scholarship in the University of Hradec Králové, Czech Republic.

After all formalities, i arrived in Czech Republic on the 20/02/2023.I reached at Hradec Králové, Hlavní Nádraží train station at 11:30 pm and i was received by buddy known Aš Maclean Gbati from Ghana. After one Day i settled in the University Dorm at Palachova And i was given my Keys to room c9. It is at this dorm That i came to meet fellow new new students 3 of them from Brazil And oné from Colombia.

On 21/02/23, i started class at the philosophical faculty and am glad That the courses i choose heled' mě much especially in my research And these included KP/PM2PA, HIU/EMETH, HIU/AACEP, HIU/ECEH2 AND KP/PZEA. The professors have been Very helpful in my studies And friendly to mě which Made me improve.

My most exciting moment was when i presented About Uganda to the students of škola SNP And the Kids were Very excited. Another experience came with the financial help from Erasmus. This catered for accommodation, food, transport etc.

I also got an experience of meeting many students all over the world especially in our Organisation known Aš ESN. It organised many activities like visiting new pláčeš, parties, political discussions, which have all given to mě a wide Range of new experience, thanks to Erasmus experience. I take this Opportunity to thank the University of Hradec Králové.

I recommend the city of Hradec Kralove for many reasons such as having friendly people who showed me love to an extent that the Czech language was never a barrier. The city has many parks ,restaurants ,libraries ,night clubs and good transúort networks that gave me a good experience.

Those students coming for the winter semester should at least come a week earlier to get used to the city.

I thank my coordinator vera kouřimová for the friendly relations and support she has bestowed upon me during my stay at University of Hradec Kralove.
