

You can choose Simple or Advanced search in the left-hand menu and enter your search term in the box. Then click on „Find“.

The Simple search is the basic search by one criterion. If you wish to make your query more accurate, then choose the Advanced search. You can use an embedded help in English.

Displaying the record

To view the result in a more detailed way, click on the arrow in the display format box and choose „detailed“ instead of „short“. Or click on the underlined title. Thus you get information where to find the book in the Library – you can see the call number of the book, its location (mostly „Knihov-na“ = Library) and its sublocation in Roman numerals – e.g.: sublocation II denotes the shelves with books dealing with economics, management, marketing.

You can see whether the book is available or borrowed. Yellow labelled books should be studied only in the Library.

RENEWING / PROLONGATION

You can renew any item you have borrowed except those requested by other users or items you had renewed 5x already. To renew your borrowings, log into online catalogue ARL <http://arl.uhk.cz>, then click on „Account“ and you can see your current borrowings, the date when you have borrowed them and when you should return or renew them, how many times they have been renewed or whether they are overdue already and you were notified.

To renew the borrowed items, click on the tiny box in the right part of the screen for each item and confirm O.K. Each item can be renewed up to 5x provided no other user has requested it. You can also ask the librarian at the circulation desk for renewing your loans.

RESERVATION OF BORROWED ITEMS

To make a request for a borrowed books, you need to be logged in online catalogue ARL, find the title

record and click on a little red icon tagged „Reservation“. You can reserve only borrowed items. When the requested title becomes available, you will be immediately informed by an e-mail. The reservation is prepared at the circulations desk for 7 days for you.

REQUEST – ITEMS IN LIBRARY STOCKS

Only a part of the Library collections is located on the bookshelves. For books which are stored in the Library stocks, you have to make a request. Find the title record and click on a little green icon tagged „Borrow“. Books located in Stocks 2 or 3 are usually available within one hour of request. Books from Stock 1 will be prepared within a week.

REPROGRAPHIC SERVICES

Photocopying – printing – scanning

A self-service photocopier/printer/scanner called Forkys is available near to the desk inside the Library. For photocopying or printing, you should charge your ISIC with some money. Then you put your ISIC to the card-reader of Forkys and when you are identified by the system, confirm your choice on the display and can print or copy. When you finish, place your ISIC briefly on the card-reader again to log off.

Pricelist of photocopying and printing:

- A4 black and white: 1,50 CZK
- A3 black and white: 3 CZK
- A4 colour: 6 CZK
- A3 colour: 12 CZK

You can scan required parts of documents using Forkys. For scanning, you don't need to have your ISIC student card and this service is free of charge. The scanned pages are promptly sent to your e-mail. If you need advice, just ask a librarian for help.

JOINING THE LIBRARY

All university students can join the University Library. The registration is free. You only need to have your ISIC student card and fill in the registration form at the desk. Your ISIC student card also work as your Library card so you should always bring it to borrow, return or prolong books from the Library.

To enter the inner space of the Library through the turnstile, you have to put your ISIC on the access card reader. When you wish to leave, go through the opposite turnstile near the exit.

ELECTRONIC INFORMATION RESOURCES

UHK subscribes to electronic information resources from a number of renowned publishers. Online journals, e-books, peer-reviewed articles or bibliometric databases are available. The EIR portfolio changes regularly based on current needs and national agreements; we recommend checking the library's website for the most up-to-date list. E-resources are accessible on the UHK computer network, using remote access (VPN) and direct institutional login (Shibboleth). You can work with the EIRs individually or use the integrated search through the EBSCO Discovery Service.

ONLINE CATALOGUE

Your Library account

Your Library account contains information about your personal data, borrowings, reservations, requests and charges. You can prolong your borrowings here. For checking your Library account, log into the online catalogue ARL and then click on „Account”. You can log into the online catalogue either in the Library or from your own computer: <http://arl.uhk.cz>

Searching

For searching in the online catalogue, use either <http://arl.uhk.cz> or the online catalogue in the Library: you can use the computers placed by the bookshelves in the Study room.

LESAK LIBRARY

The Lesak Library is located at the Philosophical Faculty, building B. It offers literature mainly in the humanities. There are separate study rooms, computers, scanner and printing available. It is open to all students and employees of the UHK.
