

University of Hradec Králové

Course Catalogue 2022/2023

**COURSES IN ENGLISH (AND OTHER LANGUAGES)
FOR EXCHANGE STUDENTS**

Exchange students from all our partner universities are invited to register for courses with instruction in the English language. Whether the student participates within the Erasmus+ program, or any other exchange program, he/she may opt for a vast selection of courses. The dynamic and youthful University of Hradec Králové – an institution founded in 1959 that has born its present name since 2000 – has currently about 6500 students and provides high-quality tertiary education within a large scope of study fields that comprise social sciences, humanities, educational studies, natural sciences, economics and information technology.

Useful information

The university campus is situated conveniently in the town center within walking distance of other university buildings, the Educational and Scientific Library, and the old town. Our university has a very well established Erasmus Student Network HK. The mission of the volunteering students at the Erasmus Student Network HK is to help with the integration of Erasmus and other foreign students into the local environment. They will pick you up at the airport, invite you to an orientation week, and organize activities throughout the whole semester. All exchange students are provided with accommodation at the University Halls of Residence Palachova.

VISA (Non-EU citizens): Foreign citizens who are subject to visa requirement are obliged to apply for a visa prior to their entry into the Czech Republic at an authorized Czech embassy. A visa is not required for EU citizens. It takes at least two months to get a visa, so don't forget to apply on time!

Other fees: Valid comprehensive health insurance. Fees for copying and scanning (like for Czech students).

Guidelines for selecting courses

The academic year is organized into two semesters. The winter semester usually starts the third week of September and ends in December (19th September to 18th December 2022); the summer semester begins in February and ends in May (6th February to 7th May 2023). Each semester is followed by a 6 week period of exams. Make sure you consult the course offer of the appropriate semester.

The university consists of four parts: the Faculty of Education, the Faculty of Informatics and Management, the Philosophical Faculty and the Faculty of Science. Make sure you check the course offer of the appropriate faculty that you will be applying for.

Incoming students choose courses from their receiving faculty. However, it is also possible to register for courses from other faculties. In that case courses that correspond to at least 75% of credits selected by the student have to be registered at the receiving faculty.

Please note that the course offer provided in this catalogue is subject to change and the University of Hradec Králové reserves the right to modify it. Do not hesitate to contact the international offices of the respective faculties for any information (see the contact list).

Scan the QR code for course syllabi and detailed information about each course. Most faculties offer courses for all degrees of study. The Faculty of Science has courses divided. You may also contact the international office of the faculty you apply to for further information.

The Erasmus Student Network (ESN) is the biggest non-profit voluntary student association in Europe. The network is constantly developing and expanding and ESN Hradec Králové (ESN HK) is a part of it! After choosing our university for your exchange, chances are you will hear about us. But who are we? And what do we do?

Well, we're all students just like you. And we do a variety of things, including (online) event organization, advocacy towards institutions, HR development, and helping international students mobilities be more meaningful and unforgettable. At the UHK, ESN HK also organizes pickups from the airport in the beginning of each semester.

If you are interested in participating in our events, getting in touch with local students, or you are in need from a pickup in the beginning of the semester, don't forget to register at: <https://esnhk.broadly.com/> Text us if you have any questions: we're on IG (@esn_hk).
